

Laser Skin Treatments

Acne

- Disorder of sebaceous gland
- Cured through targeting bacteria in skin
 - Reduces sebum output
 - Stimulates collagen production
 - Reduces scars and accelerates healing

Hair Removal

- Excessive hair growth is problematic
- Cured through targeting hair follicle
 - Permanent hair reduction
 - Smoother, brighter skin texture

Vascular Lesions

- Thread veins, Rosacea, port wine stain and other lesions can look unsightly
- Cured by allowing lesion to be absorbed
 - Fading or even complete disappearance

Pigment Removal

- Sun spots, freckles or other lesions
- Cured by targeting pigmentation
 - Clears out excess skin pigment cells
 - Leaves skin brighter and smoother

Tattoo Removal

- Regret your tattoo?
- Cured by breaking ink particles
 - Tattoo ink is dispersed and absorbed to clear skin

Skin Rejuvenation

- Dull, rough skin, enlarged pores, lines and wrinkles are targeted
 - New collagen formation leads to brighter skin and fast healing time

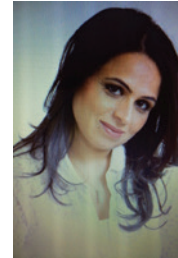

Fractional Skin Rejuvenation

- Stretch marks, scarring, congestion and skin rejuvenation is treated
 - Improves skin elasticity
 - Promotes even skin tone and brightness

Our Expertise in Laser & Beauty

- Established in 1999.
- Affordable solutions to skin problems- Medical graded system.
- Ran by our professional Director Kully Walia who believes in continuous improvement and keeping up to date with the technology of today.

We offer you value by providing treatments with nationally acclaimed laser equipment unique to the laser field industry.

“Laser Hair Removal has given me a new lease in life. Before I was so conscious of my body hair. After successive treatments I have the confidence to hold my head up high and be proud” Rose

“I have found my skin appearance to be glowing and bright. So many people complement me on my complexion, little do they know my secret is in Touch of Beauty” Sara

“I used to suffer with ingrown hairs and it used to be painful. After a few treatments the problem resolved and I feel so good” Prim

Both Hands or Feet	£100
Warts/Verrucas	£75

Facial Skin Treatments (1 hour) - £45

Microdermabrasion

Crystals to remove dead epidermal cells to help acne scars and hyper pigmentation unclog pores and improve dull, uneven and rough skin textures.

Crystal Clear Oxygen Facial

Have you got tired, dull or signs of aging skin? To improve health, firmness and elasticity by delivering pulsed oxygen and skin restoring ingredients deep into the skin.

Collagen Facial

Perfect for aging skin, as it will help to tighten and rejuvenate aging or wrinkled skin.

Thermo Herb Facial

A perfect detoxifying mask; the salts, plant and herb extract help to remove toxins from the skin as well as enhance skin brightness and firmness.

Paraffin Facial

Beneficial for dull, dehydrated skin. Warm wax opens, cleanse and hydrates skin.

Acne Facial

Cleanses and exfoliate the skin to reduce surface oil, remove dead skin cells and hydrate. Helps to control breakouts.

Galvanic Facial

Suits dry skin types to restore the skins moisture and tighten pores to reduce congestion and inflammation.

High Frequency Facial

Application of oscillating electrical current to prevent acne, soften fine lines, improve saggy or puffy skin.
